Marine Polishes

Captain Gary has a complete line of Marine Polishes.

We have polishes that are specifically designed for

- ❁ Fiberglass, gel coat,
- ❁ Aluminum, stainless & other exotic metals
- ❁ Painted metals and plastics plus

Many other surfaces found on boats.

Polish Products

☼ Marine Boat Polish

Easy to use formula. Great for that deep shine. Long lasting protection against fading, chalking and oxidation. Use on fiberglass, aluminum, chrome, or any painted surfaces. No hard rubbing or buffing required. Shines and protects in one easy step. Recommended for boats used in salt water environments.

☼ Premium Grade Boat Polish

Good for new boats and older boats. Helps stop fading caused by UV rays. Generally lasts up to 4 times longer than other polishes. Provides high gloss and protects fiberglass/gel coat, marine topside paints, painted aluminum, and marine metal parts. Recommended for boats used in salt water environments.

☼ Bass Boat Polish

One easy application, cleans, preserves, and UV protects your boat, in addition to leaving a nice, waxed look. Fast-acting ingredients deliver a long-lasting and durable finish.

☼ Bass Boat Instant Shine

Designed specifically for bass boats with high gloss and metallic flake finishes. Cleans, preserves, and protects your boat from UV rays, while at the same time leaving a nice waxed look on your boat. Apply immediately after coming off the water or while at home. With continued use your boat, motor, trailer, seats, console and accessories will retain their rich color while being protected from deteriorating outdoor elements. Cleans and polishes as you wipe your bass boat down. Works great on your truck also.

☼ All-Purpose Boat Soap with Polish

An environmentally-friendly, concentrated wash and wax formula that leaves surfaces shiny and water repelling. Dilute with fresh water for general cleaning. Works extremely well on your trucks, trailers and RVs.

☼ Aluminum Boat Polish

Protects and preserves finishes while inhibiting corrosion, pitting, and discoloration on aluminum boats. Has UV inhibitors and leaves a long lasting polymer coating on both painted and non-painted aluminum surfaces.

☼ Clean & Shine Detail Spray

Designed specifically for high gloss white and bright color finishes. Cleans, preserves, and protects your boat from UV rays, while at the same time leaving a nice waxed look on your boat. Works well on boat wraps also.

Cleaner / Polish Combo Products

☼ Handrail Cleaner / Polish

Cleans and de-rusts stainless steel handrails. Removes the red rust from stainless hand rails found on boats. Wipe on and rub off formula will completely remove the rust stains found on most stainless steel hand rails. Has many other uses around the boat.

☼ Armor Plate Cleaner / Polish

Cleans, de-smuts, and brightens aluminum armor plate. Easy to use formula, wipes on, buff off. Makes old discolored faded armor plate look almost new again.

☼ Aluminum T-top & Tower Cleaner / Polish

Cleans and shines outriggers, T-tops, tuna towers and other aluminum surfaces. Protects against oxidation, pitting, discoloration, and staining. Easy to use formula, wipe on, wipe off. Resists salt and water spray bonding to metal for long lasting protection

☼ Stainless & Chrome Cleaner / Polish

Cleans and shines chrome and stainless steel hand rails and other surfaces. Easy to use. Wipe on, wipe off formula. Resists salt and water spray. Bonds to metal for long lasting protection. Leaves a dazzling shine

☼ Clear Plastic Cleaner with Water Repellant

Cleans stains, salt deposits and surface discoloration. First step in restoring deteriorated plastic. Removes scratches from Eisenglass®, Strataglass®, Plexiglas®, Lexan® surfaces, spotlight lenses, navigation lights on the boat, as well as acrylic, polycarbonate and most other plastic surfaces. Leaves a water repelling finish on clear plastics.

☼ Aluminum Polish

Protects and preserves aluminum finishes. Inhibits corrosion, pitting, and discoloration. No rubbing or buffing required. Convenient spray application. Fast and easy spray on and wipe off protection for all aluminum surfaces. Has UV inhibitors and leaves a long lasting polymer coating.
